March 29, 2017

A computer printout will be mailed to those who submit a specific request. The effective date of the loss costs will be made retroactive to March 22, 2017.

Following publication of information for class rated properties and rates for specifically rated properties, policies which cover these properties, and which have inception on or after March 22, 2017, may be endorsed from inception to the new rates, while policies having inception prior to March 22, 2017, may be endorsed from March 22, 2017, to expiration on a pro rata basis. In calculating the net rates and premiums for these endorsements, the inception date of the policy or the last endorsed anniversary date determines the rate adjustment, if any, applicable.

Yours very truly,
